

YANGAROO Inc. (TSX.V:YOO) is a company dedicated to providing technology solutions for the music, awards show and advertising industries.

The Company is a **technology provider** to its clients—leveraging its **technology** for efficiencies that the competition cannot provide.

YANGAROO's patented cloud-based Digital Media Distribution System (DMDS™) allows audio and video files to be securely, rapidly, and cost-effectively distributed, managed and monetized.

The Company was established in 1999 and has been effectively providing digital file distribution solutions for major brand names, record labels and broadcasters throughout North America.
